

Warranty Coverage Beyond the Ordinary.

Comprehensive Warranty Program

OEM2™ offers unique benefits that go beyond an ordinary OEM warranty, giving you added assurance for protecting your commercial asset investment. An **OEM2™** Warranty makes excellent business sense, and it's powered by TrüNorth™, the leader in medium and heavy-duty class 3-8 truck warranty programs.

OEM2™ Warranty Program coverage at a glance:

- Lower your risk of unexpected failure costs beyond factory warranty.
- No hidden charges or fees.
- Minimized downtime with repairs with 24/7/365 claims adjudication and our live Mobile App available through Google Play® and Apple Store®.
- Warranty program is fully transferrable.
- Protection against rising parts, labor and travel costs.
- Powered by TrüNorth Warranty Plans of North America.

"No matter where the road takes you, we're with you all the way."

Leading the way in commercial truck protection for medium and heavy-duty class 3-8 coverage.
